Proctorville, Ohio

Dear Mr. David F. Thomas.

First of all, I want to thank you for your wonderful report on our signal - and would appreciate another answer, when I go on the air Monday morning March 5, 1951 between 4:15 and 4:45 A.M.

Taking 15 minutes from KCID-1490 KC - Caldwell, Idaho as scheduled on DX calendar.

We are going to use a General Electric limiter and would appreciate an answer between the old Raytheon and the new limiter.

This letter verifies and also confirms that your report on receiving WESB is correct and true.

Thanks a million.
