Dear Mr. Thomas

Your letter received & contents noted  
Dated Feb. 24 - Badly Delay - I was  
away & just returned & found your letter,  
not answered. Your report was quite  
interesting. Will you repeat again -

I do not get too many car reports but I  
do get quite a few others who pick us  
up as far west as Seattle Wash. California  
New Mexico Albuquerque - Ponca City, Okla.  
as far north as Montreal Canada - Miami  
Fla. Thanks for your Report -

I am yours very cordially -
