David F. Thomas
Proctorville, Ohio

Dear DXer:

Thank you very much for your report of reception of W-H-A-T in Proctorville, Ohio. W H A T operates on a carrier frequency of 1340 Kcs. Carrier power is 100 Watts. Transmitter is a Western Electric 12A. Antenna is a "T" antenna 100' high and 100' across the top, running NE-SW. You were listening to our "All Through The Night" Program. Our studios and offices are located at the above address. Any communications may be addressed either to the offices or to the transmitter which is located at the Hotel Philadelphian, 39th & Chestnut Sts. Phila, 1 Pa. Again let me thank you for reporting reception of our signals.

Sincerely Yours,

Arnold Goldman

Arnold Goldman,
Engineer W-H-A-T
