Mr. David F. Thomas  
Proctorville  
Ohio

Dear Mr. Thomas:

This is to verify your report of the reception of W H L M. Surprised to hear that you received a very good signal in your area as the majority of the DX'ers reported poor signal pick-up due to atmospheric conditions and that I did not modulate strong enough on the voice portion of the program.

Our antenna is directional east and west and you might be able to pick us up during the day unless Montreal interferes.

Very truly yours,

BLOOM RADIO
