Dear Mr. Thomas,

Your letter of November 16, 1953 reporting reception of WHYL on November 15, 1953 has been turned over to me for reply.

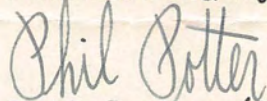

Let me say that your report by far tops all others we have ever received for accuracy and completeness. We here at WHYL were all very much impressed not only with your report but with your record of DX "catches."

This letter will serve as our official verification of WHYL reception on the above date.

We have received numerous reports on our broadcast of Sunday, November 15, 1953. While our coverage was apparently fairly good we were hampered by the Cuban you referred to and WDBJ.

Thank you so much for your complete report, and please be assured that we appreciate your report.

Radiocordially yours,

Phil Potter (NRC)
