January 17-1940

Dear DXer:-

Thank you for your detailed report of recent date asking that we confirm the reception of WKST as received by you.

After checking the logs we have found that the program reported was broadcast from this station.

We would appreciate hearing from you again in the near future and would at all times like to have your comments.

For your information, WKST has all Western Electric and RCA equipment. Our 1000 watt transmitter is located between New Castle and Ellwood City. Lehigh 215 foot shunt-fed tower is used. General offices and main studios are maintained in the Scottish Rite Cathedral Building, New Castle. Other studios are in Ellwood City and New Wilmington.

WKST operates on a regional channel of 1250 kilocycles from 7:00 a.m. to local sunset.

73's to you!

Radiospectfully,

W K S T, INC.
