Dear David:

Many thanks for participating in our test for D X  
February 20, 1967.

According to our log you are correct, and this letter is  
your official confirmation of reception of W N A K!

So far we have heard from 37 D X'ers on this test, with  
some reception reports from Ohio, Massachusetts and  
Ontario, Canada.

Our transmitter is an old Ratheon Ra-1000 and out  
275-foot tower is shunt fed.

Nice to have you with us during the wee hours of the  
morning. Perhaps we'll get together again sometime.

Cordailly yours,

Robert W. Neilson  
Chief Engineer-owner
