Mr. David F. Thomas,
Proctorville, Ohio
United States of America

Dear sir:

This is with reference to your post card dated
January 18, 1948.

We here at W.E.N.A. feel very happy to know
that our small station is heard far away of this tiny
spot. Your report is perfectly correct, Mr. Thomas.

We have been on the air about five weeks and
during this period of time have received several reports
from listeners in the United States of America, etc.

At present time we are operating with the fo-
llowing schedule: from 5:30 A.M. EST till 9:30 P.M. EST.

I hope you will have the opportunity of meet-
ing us again on 1560, and want to thank you very much for
your report.

Yours very truly,

Juan Alfredo Arias
