Mr. David F. Thomas
Longwave Listening Post
Radio WUMS
Proctorville, Ohio, USA

Dear Mr. Thomas:

We are glad to acknowledge receipt of your nice report in regard to our last Frequency Test verified on the 20th of this month.

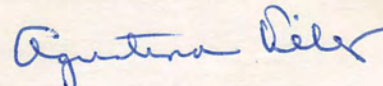

After careful examination by our Asst. Chief Engineer, Mr. Ramon Muñoz, who was conducting the test, we are glad to inform that your report is correct. There was a heavy raining here too at the time of the test.

We are glad to inform that our station will be on the air this Thursday, Dec. 31, 1953, up to 2:00AM, and we usually carry on our montly test on the 20th of each month.

With the best wishes for the Season's Greetings, and very much obliged for your nice letter, we beg to remain,

Sincerely yours,

(Miss)

Station Manager
