Mr. David F. Thomas,
Longwave Listening Post,
Radio W.U.M.S.,
Proctorville, Ohio,
U.S.A.

Dear Sir:

Thank you so much for your letter of November 5th. We were most interested to hear that our station could be heard from such distance. We are on the air 24 hours a day, 7 days a week, and our whole programming is directed toward the French population of the Province of Quebec.

As you mentioned in your letter, our station started its operation during the summer, more specifically on August 3rd. And we are really happy to see that you, people of Ohio, can get our station so well, whenever you want it.

Hoping these information will give you satisfaction, We beg to remain,

Yours truly,

André Hourlier,
Chief Engineering,
