Mr. David F. Thomas
Proctorville
Ohio, U.S.A.

Dear Mr. Thomas,

excuse our delay to answer youy report we received last month, I had much work to do and I could not answer before. Your report was right, but I see that the reception was not very good behind WKJB and WOR, I hope we'll have a better signal in a few months. We thank you very much for this report.

Yours truly

Guy Burelle
