SANTIAGO - CHILE

Our name C.B. 138 "El Mercurio"  
" frequency 1.380 K.C.  
" old name C.E. 90

Dear Mr. Thomas.

You are quite right. Jan. 9 we  
were on the air in a special program for  
the National Radio Club of York. Penn. -  
Very sorry but we could not transmit  
for your club the day you mention.  
Some day we will do that with  
pleasure.

Cordially yours  
Radio "El Mercurio"  
C. B. 138.
