Dear Sir,

We thank you very much for the two letters (reports) we received from you.

We are very glad to hear of course that you picked us up and that the signal was 100% solid, clear, steady and strong.

We feature this oriental program because almost half of the population of Surinam consists of oriental language speaking people.

Our transmitter is from Phillips (French) and the power is (only) 1000 watts.

Meanwhile we are,

Yours Very Truly
