David F. Thomas
Longwave Listening Post
Radio U. U. M. S.
Proctorville, Ohio

Dear Mr. Thomas:

I'm very sorry it has taken me so long to answer your DX report, but since I am the only engineer here this is the first chance I have had.

This is to verify your two reports on me and to thank you so much for taking the time to write us. I was pleased about your second report especially.

We are operating a 1KW Gates Xmitter and the antenna has a very high resistance which helps get me out over the countryside.

Thanks again for your report.

Sincerely,
Ala H. Mills
