Dear Mr. Thomas:

This is to verify our transmission of the Clemson-Carolina football game on Thurs. Oct. 23, 1947 1:45 pm thru approx. 4:20 pm which corresponds with time and date you received us.

I'm at loss to explain this freakish occurrence, but certainly appreciate your card in regards to it. The weather was overcast with frequent showers, and temp. in the mid 80's.

Sometime after the first of the year, we hope to be on the air with a kw at 1320 kc. Hope to hear from you again... and many thanks..

Yours very truly,

E. E. Hampton, Engr.
