Mr. David F. Thomas  
Longwave Listening Post  
Radio W.U.M.S  
Proctorville, Ohio

Mr. Thomas,

Thank you for your verification of our Special DX program Monday December 1, 2:00-4:30AM EST. It was correct and I am happy to verify it for you.

I did not know when I chose the Banjo music that it would help in reception, but I am happy that it did.

I have had some reports of QRM from listeners to the Northwest of Me. Most of them mentioned KTOP. Most of the reports from the Northeast were gratifying.

I consider our test successful, though several reported they were unable to receive us enough to make a report. I would be willing to set up another broadcast for those who did not receive us, if we have enough requests.

Thanks again for your report.

Sincerely,

Bill Arrington
