Mr. David F. Thomas
Longwave Listening Post
Roadio W. U. M. S.
Proctorville, Ohio

Dear Mr. Thomas

This is to verify your letter of reception of our broadcast on November 26, 1962. All data listed in your letter coincides with our broadcast. From other letters, we believe that the Spanish speaking station was a Cuban Station. We have received letters from Texas and as far as Pennsylvania. So we were very pleased with the test.

Thank you for your letter.

Sincerely,

R. W. Pink
