Dear Sir:

This will serve to acknowledge and verify your report of our program broadcast for D X listeners on 12 December. End of the year business and the holiday rush have been responsible for our delay in answering your letter.

You were the only D X to report hearing both South Dakota capitols on the same evening. We are glad we put out a better signal than in 1933.

Thank you for your interest and should it be possible to again present a similar program for DX'ers, we shall so inform the clubs thru their publications.

Very truly yours,

Ida A. McNeil
