Dear Mr. Thomas:

This is to verify your report of reception of KSOO radio on February 27, 1961. Your report of our special broadcast for the National Radio Club members was quite complete.

KSOO enjoyed putting on this program and the response from club members has been very good.

During the time of this broadcast KSOO radio was operating with a power of 5,000 watts on our five tower directional antenna array beamed toward the northwest.

Thank you for your report and happy "DXing".

Sincerely,

Max E. Pierce
Technical Director
