

UNIVERSITY OF SOUTH DAKOTA

VERMILLION

Radio Station KUSD

February 21, 1941

Mr. David F. Thomas,
Proctorville, Ohio.

Dear Mr. Thomas:

This will verify your reception report of February 18, in which you said that you heard KUSD transmitting February 16, 1941.

We are, of course, pleased to learn that you heard KUSD "perfectly" and that our signal strength was "strong" -- in spite of cloudy and stormy weather conditions.

Hope you have room in your files for this verification, a new one to go with your verification of January 19, 1930.

KUSD presents D-X programs the second and fourth Sunday mornings of each month, starting at midnight, C. S. T.

Yours very truly,

RADIO STATION KUSD
