Longwave Listening Post,
Radio W U M S,
PROCTORVILLE, Ohio

Dear Sir:

This is to verify your correct report,
of our DX broadcast of December 10, 1956.

This being our first DX program we
greatly appreciate getting as many reports
as possible.

Thanking you very much, I am,

Sincerely yours,

J.G. Lacroix
J.G. Lacroix, engineer.
(VE5GL)

I am not sure what the spanish speaking station on
our frequency was during our DX broadcast. This morning
I received a report from Walnutport, Penn., concerning
our special Christmas morning program, he stated that
KCBQ at San Diego, California, was interfering on our frequency
at that time, this may be the same station that was interfering
with you on the tenth of Dec. The program on Xmas morning was
not meant for a DX broadcast but apparently some of the boys
picked us up that morning, we really appreciate those reports.
Therefore if we do not make another special DX broadcast before
that time we will be on again next Xmas till about 03:00 AM MST,
thats about the only time we stay on the air at that time in the
morning. Good DX'ing & 73's.
