Dear Sir:

Re your DX report of this station for Jan. 15, 1939, from 4.02-4.40 pm M.S.T.

We have checked your listings and find that they co-incide with our station logs.

In answer to you question: CJRM has a very large coverage and of late and for some time in the past we have received a number of reports from the state of Ohio. Not knowing the location of every point heard from we are unable to make comment. However, as a favor to us would you mind checking our signal and send us a report on our consistency in your locality.

You may of course use this letter at any time as a means of verification.

Yours very truly,

JAS. RICHARDSON & SONS, LTD.
