Dear Sir:

We have here your card of October 10, reporting reception of our station on that evening. We are sorry you tuned in only to hear our theme and closing announcement. However, as these were quite in order with our station log, we are pleased to give you verification of reception.

We hope that you will soon be successful in tuning in a greater portion of our program, and that when you do, you will let us have further report.

Thanking you, we are

Yours very truly,
