Mr David F Thomas  
Proctorville, Ohio

Dear Sir:

We were very much pleased to hear from you reporting the reception of our frequency check program which is conducted the first Wednesday of each month from 2:45 to 3:00 AM CST.

As we do not have a standard verification card I sincerely hope that this letter will serve as a verification of which you are entitled as your report checks with our station log.

May I take this opportunity to wish you and Mrs Thomas all the fine things in life and a very long and happy one. We would be very happy to have you and Mrs Thomas visit our studios should you come back to Chattanooga.

Thanks again for the report and would be glad to hear from you again should you hear us on another test program.

Very Truly Yours

*C. W. Stokley*
