Proctorville, Ohio.

Dear Mr. Thomas:

This will verify as correct your reported reception of WCLC on January 6, 1958 during our Special DX test broadcast from 3:38 to 4:30 AM, EST.

Due to a little transmitter trouble we got on the air a few minutes late. So far we have got 39 reports on the test with a few more expected, very satisfactory for the 1260 spot.

WCLC went on the air with first programs at 5 AM, CST on October 28th, 1957. The phone number given was TR9-2825.

Thank you for your nice report.

DXingly yours,
