We greatly appreciate your kindness in acknowledging by your *Card*  
of *Dec 1-24* reception of our *Services* radiocast  
at *11-30-24*

We radiocast regularly our Sunday services at 10:30 a. m. and 7:30 p. m., C.S.T. and occasionally a Sunday afternoon concert of sacred music. Our station was installed especially for the benefit of those who, for illness or other reasons are unable to attend religious services and we are specially grateful for cards or letters from these.

Constructive suggestions for the extension of our radio service in the name of the Master and the extension of His kingdom are always welcome.

And he said unto them, Go ye into all the world and preach the gospel to every creature.—*Mark, 16:15.*
