Dear Mr. Thomas,

Thank you very much for your report. The station to which you were listening was WMCH. I am on the air every third Thursday Morning for a frequency check.

The tones you heard was the dial and beeper tones from our remote phone pick-up. It's a simple matter to transmit these frequencies.

I appreciate all reports on the coverage of WMCH.

In lieu of QSL card I am inclosing a pocket book.

yours truly,
Robert Heath, C.E.
