Dear David,

It is with pleasur that I confirm your reception of my special broadcast Jan, 30, 1967. Your log was complete and accurate, asnd there is no doubt that it was my signal that you heard.

I have received reports from Alaska, Canada, plus nearly every state in the union, and I really appreciate your report. Ralls is located about 28 miles east of Lubbock on highway 82.

Please excuse the date of this conformation. I have had technical troubles plus about a million things to do since I ran this test. I hope you are not too put out, and I shall look forward to hearing from you in the future, and I will hope that I can answer sooner. Thanks Again!!

Sincerely Yours,

*Dave Taylor*
