Dear Mr. Thomas:

Just received your letter of confirmation for DX Program over this station February 20th.

I received cards and letters from Howard Perkins of Cleveland, Ohio...C. Gerstner, NRC Member in Chicago.. Grant Botson of Westfield, New York, and Raleigh Biss in Palm Springs, California. This guys, including you, stated the same thing...lots of QRM..PLENTY OF WTIK, along with the tone signal. No one as yet has the tester identified!

David, I enjoyed the letters and cards from all the guys over the states, and sincerly hope to get another program lined up real soon.

Regards,  

W. D. (Bill) Hight
