David F. Thomas
Radio WUMS
Proctorville, Ohio

Dear Mr. Thomas:

Thanks for the very fine detailed report of reception of our special National Radio Club DX program. This verifies your report of the program presented Jan. 10, 2:30-3:00 AM CST from KCYL, Lampasas.

Yours if the most detailed and technical report received so far, and it is greatly appreciated. QRM seemed to get most of the east coast boys down, however, we reached into California and New Zealand fairly well. Must have had most QRM from eastern stations. Yes, the talk about Lampasas was given by the station manager at approximately the time you mentioned. We didn't have the National Emblem March in our library, so I used "Stars and Stripes Forever". I didn't do this to trick any of the NRC members but it was stated on most reception reports received that they heard their theme march. Must have been another NRC scheduled station on or near our frequency at the same time. Thanks again for the swell report and best dx. 73.

Joe F. Morgan, CE
