Dear Mr. Thomas,

This letter is verification of your reception of KEGG's DX test, on Monday, December 10th, from 2:29 A.M. to 3:02 A.M., Central Standard Time. All reports received to date say almost the same thing concerning interference from KCJJ in Iowa City, Iowa.

Most of the letters I have received want a Bumper Sticker or something along that line for a souvenir. I am enclosing a coverage map in appreciation of your time spent.

As of 12/21/79, I have received letters of verification from: New Jersey, Ohio, Illinois, New Mexico, Nebraska, Pennsylvania, Florida, Iowa, Massachusetts, Virginia, and Tennessee.

I want to take this time to thank you and the members of the Radio Club, who took the time to monitor KEGG. The information received was very interesting.

HAPPY NEW YEAR TO YOU AND YOURS!

Sincerely,

Rick Hammer, Chief Engineer
