*"The Voice of East Texas"*

POLK COUNTY BROADCASTING CO.

LIVINGSTON, TEXAS

February 10, 1967

David F. Thomas  
P.O. Box 11531  
Tampa, Florida 33610

Dear Mr. Thomas:

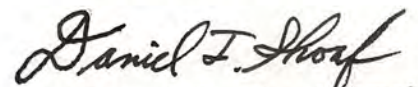

This letter will verify your reception of K E T X on January 16, 1967 from 3:05 to 3:30 AM Eastern Standard Time during our equipment measurement test on 1440 kcs. The members of the National Radio Club were monitoring this test and we received 60 reports from the U. S. and Canada. The most distant report was from Marysville, Washington, a distance of 1,850 air-miles from Livingston.

We use a Collins 21A, 5000 watt transmitter fed into our 200 foot non-directional tower. K E T X began broadcasting on June 28, 1957 with 1,000 watts.

The staff of K E T X thanks you very much for your fine report of reception, which we found of value. We would be happy to hear from you again should you hear us in the future.

Sincerely,

K E T X RADIO
