

NUECES BROADCASTING COMPANY  
CENTER THEATER BLDG. P. O. BOX 1460  
CORPUS CHRISTI, TEXAS

*Mr. David F. Thomas*

Thanks very much for your letter stating that you heard KEYS.

We operate on 1440 KC - 1000 watts non-directional during the day light hours and 500 watts directional at night. Our transmitter is a Collins T-20 and our pattern is formed by a three tower array.

Enclosed you will find one of our coverage maps along with a KEYS survey which will give you a general idea of our over-all coverage and the type of music we program.

Cordially,

*Mark Parms*
