Proctorville, Ohio.

Dear Sir:

This will confirm your letter dated November 7, 1954, in regards to the short test program that being conducted at the transmitter. Radio Station KFDA appreciates these reports and hope that if you hear us again you will write us a letter. KFDA was operating with 5000 watts during the tests. Thanks again, and good listening to you. I am,

yours very truly,

O. H. Richardson
