P.O. Box 11531

Dear Mr. Thomas:

Your report is correct as stated and your response is the 39th I have received.

It was good to hear from somebody that leads the good life.

If the female species in real life resembles the ones in the brochure, Wallah! Come up with a trade out and we will see what can be arranged.

It doesn't get that hot in this part of the state. In fact, its quite a bit cooler here than Tampa and the humidity is much lower.

Sincerely,

Bill Bruder
