

RADIO STATION K N O W

Austin, Texas

February 25, 1932.

Mr. David F. Thomas
Proctorville, Ohio

Dear D X'er

K N O W the radio voice of Austin, the Capitol City of Texas, wishes to express appreciation for the responses received from D X'ers on the first test broadcast after relocating transmitter. Thanks for the detailed information from many of you. K N O W broadcasts on 1500 K C and is the same station that you formerly heard from Austin under the call letter K U T. We expect to have other late night broadcasts and will probably have a special one dedicated to the D X Clubs throughout the United States, of which the D X Clubs will be notified in due time.
