

KRIC

Beaumont Enterprise and Beaumont Journal Station

Beaumont, Texas

Oct. 11, 1944

David G. Thomas:

Your reports were correct -
except we operate on 1450 Kcs. Not
1490. Yes a lady gave 5 minute news,
followed by music. on Oct. 3. 2:00 to
2:15 AM (C. W. J).

WMOG could interfere, they operate
on the same Kcs, same watts as
K. R. I. C.

We operate 22 hours a day.
5:00 AM to 3:05 the following morning.

Thank you for your card.

Marie Nelson
Engineer

P.S. Glad we can be heard in Ohio -
our watts are 250.
