Dear Sir,

We are very happy to confirm your report of receiving KTXL on the morning of November fifth. Your card agrees completely with our transmitter log.

According to our records you are the first listener to report KTXL in your state. We have now letters and cards from seventeen states, Canada and New Zealand.

The regular schedule here is six AM to midnight with frequency checks twice monthly on the first Monday and on the third Saturday at 0400 CST and 0330 CST respectively.

We're glad to have heard from you and wish you best luck in-your DX-ing.
