

Dear Sir:

This is to verify your reception of Station KUT on May 8, 1931. This station operates on 1500 kilocycles with 100 watts power and full time. We intend to have more of these DX broadcasts but have not set a definite schedule as yet. We hope to hear from you again if you tune us on any future programs.

The picture of the studio and the staff is being mailed under separate cover. Thanking you for the report, we are

Sincerely yours,
KUT BROADCASTING CO., INC
