

Dear Friend:

Thank you very much for your message stating that you heard the equipment test of KWHI between 2 and 3:15 a. m. (CST) Feb. 9, 1948. From the information you gave, we are pleased to verify your reception of the program.

You may be interested to know that we received reports from listeners in practically every state east of the Rocky Mountains, Canada and ships at sea in the Atlantic. Many came from members of the National Radio Club and the Newark News Radio Club.

Again thanking you, we remain,

Sincerely yours,

Richard Webb
