Dear Sir:

We have received your card sent on February 11² to WFAA, Dallas, Texas, in reference to our broadcast including the piano solo, "Valse In C# Minor". This is correct.

We very greatly appreciate your card and your interest in our program. We are especially glad to hear that you are able to get us clear at that distance. It is gratifying to know our programs are heard there with no difficulty.

Yours very truly,

Jessie H. Humphries, ^(Sony)
