Instructions for Using "Proof of Reception" Card

Remember that the station must be convinced that you have actually heard their broadcasting. Comments of the Announcer or the mention of some particular identifying incident that occurred during the number are, perhaps, the best proof of this. The exact time that a particular number began or ended or the sequence of numbers are other proofs.

Fill out all the blanks on the card and take care that your name and address are plainly written where they belong and that a dime is inserted. Then put the card in an envelope addressed to the broadcasting station you heard. A list of addresses of broadcasting stations is included in your **ekko** stamp album.

My Name

Street and Number

On _____ at _____ I heard y.

Date (Day and Month)

Time (A. M. or P. M.)

Please send me one **ekko** stamp of your station.

Enclosed find ten cents to cover cost of mailing and verifying.

Be sure your name and address are PLAINLY marked above.
