Dear Mr. Thomas:

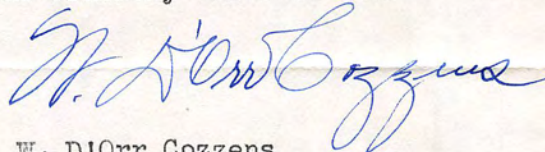

Thank you for your card showing reception of KLO's
Sunday morning test program of November 23rd.

We appreciate very much receiving a report from Ohio
as we seldom get a report from your part of the country.

You may consider this letter a verification of the
reception of our signal and we trust you may hear our
Sunday morning test program in the future. We are
always glad to hear from you and have a report of our
signals.

With best wishes, I am

Sincerely yours,
