Dear Mr. Thomas:

This letter is to verify your report of reception of this station on Monday morning ~~X~~ February 19, 1951 from 1:00 to 1:30 am MST. The information is correct as you have it logged. We were on the air at that time for our regularly scheduled frequency check.

I am sorry to hear your first report of reception was unanswered. I am sure it must have been lost as we have no record of receiving it.

Our regular f/c schedule is the third Monday Morning of each month ~~fn~~ from 1:00 to 1:15 am MST however we stay on 15 minutes longer some times to make sure of the check.

May I take this oppertunity to wish you the best of DXing and hope this verification report reaches you ok.

Sincerely

Ralph A. Ross
Chief Engineer
