Mr. David F. Thomas
Proctorville, Ohio.

Dear Mr. Thomas:

This is to verify your report of reception of our station Sunday a.m. February 5, the music was mostly transcriptions from our "Standard Library".

We have had reports from points as far as Iowa. This little Gates 250GY seems to be doing OK.

WTOR seemed to cause more trouble in Penna and Ohio than in New York and New Jersey. We had reports from Iowa (the greatest distance reported).

Thanks for the report.

Sincerely

Wm. A. Banton
