Dear Mr. Thomas:

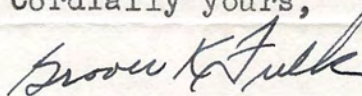

This is in reference to your letter concerning our station transmission. Thank you very much for your interest.

We receive numerous letters from radio listeners giving us reception reports. We are always interested in these reports and endeavor to answer them.

Your report is correct in detail. Our frequency checks are made the second Tuesday of each month — 2:00-2:15 A.M.. We hope that you may, at some future date, receive our transmission during a check. If you do, we shall be glad to hear from you.

Again thanking you for your interest, I remain.....

Cordially yours,

Grover K. Fulk
Chief Engineer
