Dear Mr. Thomas:

We wish to thank you for your "DX" card of September 8. Yours is the first daytime report we have had from your part of Ohio. However, we are getting reports from Indiana almost every week, asking for requests on our noonday program, "The Plantation Hour", which is made up of western and rural music.

I would like very much to hear from you at any time. Thanks again for going to the trouble of letting us know of our goings-on in Ohio.

Sincerely,

COLONIAL BROADCASTING COMPANY
