Mr. David Thomas,
Proctorville, Ohio

Dear Sir:
Thank you for your fine report of reception of this station during our special transmission from 4 to 5 A.M. E.W.T. on Feb. 18.

This letter will serve to verify your reception of WFVA.

The results from this program have been very gratifying to the engineering department here.

Thank you for your cooperation.

Sincerely,

Phil Whitney
Chief Engineer,
WINC, WFVA
