WINC BUILDING -- WINCHESTER, VIRGINIA

January 17, 1956

Dear Dave,

Thanks so much for your accurate report of WINC's reception on January 8, 1956. The report was very accurate, therefore this is your verification of reception of WINC.

Yours is the most technical and informational report we have received.

pardon this letter being brief, but I have so many reports and must get on with the job. Great dx to you, and thanks again. Watch the NRC bulletin for results of the program.

Radiocordially,

Phil Potter
