WINC BUILDING ♦ WINCHESTER, VIRGINIA

April 14, 1944

Mr. David Thomas,
Proctorville, Ohio

Dear Sir:

Thanks for your reports of reception of WINC during our regular operating schedule.

You have apparently heard WINC, although you have us affiliated with the wrong network. We used to be NBC Blue, are now just Blue.

This letter will serve to verify report of your reception of WINC.

The clipping you enclosed explains a lot. Very suddenly + have been rather swamped with WINC mail addressed to me at this station. It seems that in my absence at WINC some of my mail has been misplaced. I am sorry that you fellows had such a time getting this station verification. As a rule, mail addressed to me personally at WFVA will eventually come to my desk.

Thanks again for your reports.

Sincerely,

Phil Whitney
